## Organization Program

Welcome to the Paramedic Network

We are happy to announce a partnership with (Partner Co name).

The Paramedic Network unites healthcare practitioners by providing a platform with resources they need for best patient care and positive outcomes. The Paramedic Network will be a central location for your continuing professional development (CE) hours as well as new advancements in the field. While enhancing your skill set, take advantage of the unique offers available to our members.

(Partner Co Name) has secured a membership for you. You will receive an email from the Paramedic Network with instructions on how to sign in and begin using your benefits. Once you are signed in, you will see the vast array of educational programs and discount programs, offered to you as a member. In the event you do not see an email, check spam folder, junk mail and trash. If you are unable to locate your invitation in any folder, contact your organization leadership.

The Paramedic Network strives to be the educational leader for Emergency Medical Services, Community Paramedicine and Critical Care Transport practitioners. The network collaborates globally to stay informed of emerging advancements in the field so we can bring it to our members. If you are interested in volunteering or teaching, please complete the contact form provided on the website.

Thank you and please enjoy your PN Perks!
